

SUTRA DENTAL SPA **BIOGRAPHY**

Dr. Jimmy C. Wu, D.D.S. is a cosmetic dentist since 1999 and founder of Sutra Dental Spa, a modern cosmetic dental practice that leaves patients feeling refreshed and relaxed as if they had been in a long meditation. Sutra Dental Spa is a journey for all the senses. Adorned with Buddhist statues and Asian art, Sutra Dental Spa reminds guests of the Taoist philosophy of obtaining long life and good fortune in an unassertive and simplistic conformity to the Tao, everything that surrounds us, envelops and even flows through us, referring to the natural balance of life.

With over 5,000 hours of continuing education, Dr. Wu has extensive background in the areas of cosmetics, orthodontics, TMJ, computerized dentistry, and CEREC ceramic fillings. Dr. Wu has placed over a thousand veneers and CEREC restorations, as well as hundreds of full mouth reconstruction cases. In February of 2000, he began designing a state-of-the art facility that would specialize in offering biocompatible dental materials. In May of 2006, Dr. Wu announced the grand opening of Sutra Dental Spa.

Dr. Wu achieved a Doctor of Dental Surgery (D.D.S.) degree from the University of Southern California School of Dentistry and holds a degree in biology with a minor in economics from the University of California at San Diego, where he also volunteered as a dental assistant and gained knowledge in Occupational Safety and Health Administration (OSHA) standards. Prior, he worked as a lab technician for Dr. Charles Plopper at the University of California at Davis and at UCSD Paul Sung PHD, MD as a lab technician and research analyst.

Dr. Wu believes in constantly furthering education to stay current with the latest technology and has received a certificate of completion for the Rondeau Courses for Orthodontics.
